About KOSEC

KOSEC is not owned by any Fund Manager or Institution.

As a financial service provider, we have an obligation under the Anti-Money Laundering and Counter Terrorism Finance Act to verify your identity and the source of any funds. This means that we will ask you to present identification documents such as passports and driver's licence. We will also retain copies of this information. We assure you that this information will be held securely.

About Your Advisers

Your advisers are remunerated in a variety of ways including salary, wages, bonuses and commissions based on sales generated.

We will only offer you general financial advice. You should note that general financial advice does not relate specifically to you and therefore may not be appropriate to your

particular financial needs, objectives and financial circumstances. You need to take this into account before deciding whether or not to act on it.

Acting as your agent, we will buy and sell securities on the Australian Securities Exchange ("ASX") under your instruction. Once your securities has been bought or sold, you will receive a contract note or confirmation from us or the executing broker setting out the details and costs of the transaction. We will not accept orders for 'short sales' on ASX. A short sale is where the seller does not presently hold or have the immediate right to hold the title to the security.

KOSEC and InterPrac Financial Planning are not participants of the ASX and will always engage an executing broker to effect transactions. Executing brokers are clearing participants or engage a clearing participant to settle trades on ASX. InterPrac Financial Planning has relationships with several executing brokers who are ASX Market Participants including Morrison Securities Pty Ltd. Your Advisers operate within a Board Approved Product List.
